

Any Item. Any Brand. One Call.

WASHINGTON
ARCHITECTURAL
HARDWARE

Put your trust in us.

Whatever you need, any item, any brand, no problem. When it comes to architectural building products, Washington Architectural Hardware is your Total Opening Supplier.

Your satisfaction has always come first.

In 1992, Washington Architectural Hardware Company was founded with the vision of providing top quality customer service. This remains the company's focus regardless of the scope of the project. From a small tenant improvement to the most complex multi-functional facility, you can count on us to provide the same attention to detail resulting in your complete satisfaction.

Washington Architectural Hardware is a leader in the industry. We have the most extensive hollow metal inventory in the Northwest, and we stock a variety of door sizes to meet your requirements. And since we value your time as much as you do, our inventory of hardware, commercial washroom accessories, and signage is tailored to meet your fast track requirements.

Washington Architectural Hardware has it all!

- Highly qualified, experienced staff
- Extensive hardware and hollow metal inventory
- Qualified installation available
- Comprehensive inventory of commercial washroom accessories and ADA signage
- Certified Architectural Hardware and Door Consultants on staff
- In-house keying services
- State-of-the-art hollow metal shop
- Specification writing
- Expert pre-installation of hardware
- Experienced onsite installation

The entire world of openings is just one phone call away.

Think of Washington Architectural Hardware as your total opening supplier. We carry hinges, locksets, exit devices, kick plates, wood or metal doors and frames, and much more. Any item. Any brand. Just give us a call. Our Certified Architectural Hardware Consultants will help you take care of everything from preparing specifications and quotations to the final turn of the key on your completed project. If it opens, closes, pushes, or pulls, you'll find it here.

We're more than just doors and hardware.

Washington Architectural Hardware also supplies toilet partitions, commercial washroom accessories, access panels, mail boxes, electronic access controls, high security key systems, and much more.
